

Al Hasham has referred more members to the Chamber than anyone else.

He believes so strongly in what the Chamber does that he thinks all Greater Victoria businesses should be members.

Now it's Your Chance to Dethrone the King!

Refer the most businesses to the Chamber between January 3 and February 15, 2012 and you'll...

WIN THE CROWN!

See how many referrals you can send to the Chamber!

(Make sure each referral mentions your name to their Account Representative.)

The NEW Referral King or Queen will be crowned at the:

**Chamber Week Celebration Breakfast
February 21, 2012**

Al's Tricks & Tips:

- Discuss the benefits! – Networking at Mixers and Six for Lunch, low credit card rates, group insurance program, promotional opportunities, etc.
- Do you want to grow your business? Get more business? Support the business community? If you answered yes, you should be a Chamber member!
- Not sure about the Chamber? How about a beverage (my treat!) at the next Mixer (or Mingle)?
- Let me introduce you to a Chamber Account Representative. They'll explain how Chamber membership benefits your business specifically.
- If you join the Chamber and tell them I referred you, we'll get a free lunch!
